Welcome to Term 3

Welcome back to school for term 3.

A special welcome to new families and new staff members who have joined our school this term. Mrs Magdalene Barnes is the new teacher in Room 20. We will be saying farewell to Whaea Sharla on Friday as she moves on to teach at another school.

We are beginning our learning this term with a whole school focus on a programme called “Kia Kaha.” Kia Kaha enables students to develop strategies for respectful relationships where bullying behaviours are not tolerated. Bullying behaviour harms children and their educational and life outcomes. Bullying is not new and is an issue that all schools face. Kia Kaha helps children learn and apply a range of safe practices that they can use to build and maintain successful relationships throughout their lives.

Please support this important learning by talking with your children about what they are learning at school and support your child to speak up if they experience bullying. Together we can make our school a safe and happy learning environment.

Congratulations to these students and their whanau/aiga/family for making learning a priority. Student attendance has a major influence on student engagement and achievement. All students need to be present at school so they can participate and engage in learning. These students will receive a certificate at our assembly on Friday (12.20pm) and will then be invited to have lunch with the Principal - my shout!

Home School Conferences are next week

**Tuesday 31 July
1.30pm - 6.30pm**

Come to school to meet with your child's teacher and talk about the progress that has been made and the next steps for learning.

Mid-Year reports will be given to parents at the conferences.

YOUR CHILD + YOU + TEACHER = SUCCESSFUL LEARNING

Conferences will start at 1.30pm so children will be going home at 12.30pm on Tuesday 31 July. If you require your child to remain at school until 3pm, please write a note to your child's teacher or inform the school office.

Cook Island Language Week

Dear Parents,

Next week we will be celebrating the Cook Island Language Week. Our theme is "Be proud of our reo Māori Kūki 'Āirani and protect it's future." "Kia ngakau parau, Kia rangarangatu to tatou reo Māori Kūki 'Āirani." Throughout the week there will be a variety of learning experiences for our students like: making ei katu, ei kaki, learning about making tivaevae or listening to stories from the Cook Islands. If you are free and you would like to help out please come in and see your child's teacher or see Mrs Robati.

Looking forward to seeing you there. Everyone welcome

Our School Lunch Programme

Last term we indicated that our school lunch programme has been operating at a loss and that the operator would need to reduce the number of days that students can order lunches at school.

Starting next week students will only be able to order lunch at school on Tuesdays, Wednesdays and Thursdays.

We are aware that some students and parents are choosing to purchase lunch from other food outlets. This is absolutely fine however it is a concern to see some children regularly bringing food items for lunch that are not healthy. Please support your child's learning by making sure they have healthy options for lunch.

NETBALL

Saturday netball is on again this week. Times will be confirmed later in the week. All players need to turn up ready to play.
