

27 March 2020

Kia ora koutou, talofa lava, malo e lelei, kia orana, fakaalofa lahi atu, bula vinaka, greetings

We have started into a new phase of New Zealand's response to COVID-19 and it is very different from anything most of us have ever experienced. I want to reassure you that our school staff and Board of Trustees will continue to be available to support your child's learning and wellbeing in the next weeks.

You will understand the importance of routine for your family. If your routine has been shaken up, like you're now working from home, it's good to structure your time. Routines are reassuring, and promote health and physical wellbeing. I encourage you to set up a simple daily routine that works for you and your whānau.

Some good news to support you either working at home and/or studying at home - Spark, Vodafone, Vocus/Slingshot, 2Degrees and Trustpower have all advised they have removed their data caps and the possibility of any extra charges based on usage.

*For our Pacific families, if you are not aware the Ministry for Pacific Peoples' has been working to ensure useful information is available to Pacific peoples. A one-hour special will be aired on Tagata Pasifika's segment on **Saturday at 9am**; and on **Sunday at 7.35am**, Tagata Pasifika will share messages from community leaders. The Ministry is asking you to reach out to all your family members, community groups, friends and group chats to ensure our Pacific community groups are watching the programming on both days.*

A big thank you to all of you for taking the lockdown so seriously. As the Prime Minister has noted staying at home will break the chain and save lives; breaking the rules could risk someone close to you and if the rules are not complied with, this could risk the lock down period being extended or could risk the virus being spread to thousands

School and teacher email addresses are on the website if you need to contact us at any time. Please email your updated email contact to your child's teacher(s) (include child's name in the subject line) as soon as possible. This will help us to communicate important information with you.

Due to the COVID-19 lockdown school holiday dates have changed. The holidays are now Monday 30th March 2020 to Tuesday 14th April 2020 (inclusive). At the end of the holidays school will continue to be physically closed:

- *Students will be learning at home*
- *Teachers will be available to support via email and Google classroom*

We will provide more information about this towards the end of the holiday break. Keep checking the school website.

Stay well, stay safe, stay home!

Ngā mihi
