Kia ora koutou, talofa lava, malo e lelei, kia orana, fakaalofa lahi atu, bula vinaka, greetings

Tonight the Government announced that Auckland will move back into Alert Level 3. This will happen immediately. This means school will be closed for almost all students.

If you are an essential worker and have no one to look after your child, school will be open.

In order to ensure the safety of our staff and any students who do have to come to school, we will be operating with strict enforcement of health and safety measures.

In order to plan appropriately it is essential that you let us know if your child must be at school.

You will need to contact the school by phone, text or email to inform us.

Keep checking the school website for new information and continue connecting with teachers with any questions you might have. Stay well, stay safe, stay home!
