### PICKING UP STUDENTS EARLY

We understand if there is an emergency you might need to pick up your child from school early. To do this you need to come to the office and sign your child or children out. If someone other than those named on the enrolment form arrives to pick up a child we cannot let them go unless you have already rung the school. We need to know the full name of the person and the relationship to the child.

### NO CHAOS AT THE SCHOOL GATE

Thank you to all the fabulous people who care about the safety of our students. The dropping off at the Community Hall car park is working well. It is great to catch up with so many parents. The winner of the grocery hamper for the first fortnight is licence plate number KWF550. If this is your car please use the call button at the main gate and let the office know you are the hamper winner. Drive your winner car into the visitor car park and collect your hamper. We will have a Pak'n'Save voucher for the next winner in two

weeks time.

### SATURDAY NETBALL

Great games were played on Saturday in the very breezy conditions. All our teams scored many goals which was difficult in blustery conditions. We have two more weeks in this round. A new round starts on 22 August. If you want to enter the second round let your coach know and we will register the teams. Are there any Year 5 - 8 students wanting to join? See Whaea Anet.

## ROOPU PĪWAKAWAKA ZOO TRIP

Rooms 17, 19 and 20 (Roopū Pīwakawaka) are going to the Auckland Zoo on Wednesday 12 August 2020. This is part of our study about native birds. The bus will be leaving school at 9.15 am and returning before 3pm. Students will need to bring lunch, a water bottle, walking shoes, and a warm jacket or coat. We have spaces for a few parents. Please see your child's teacher if you would like to come along. Pre-schoolers are not able to be included on this trip.

Wiri Central School is paying for all student transport and entry costs. There is a cost of \$19 for parents.

## TORO A WRITING

**Student of the week:** This week we have been doing a lot of work. Congratulations to Jethro for getting 'Student of the week' for week one. He has really deserved it since he has been doing very well at his work. He was surprised when he found out that he got the student of the week, but is happy to receive the good attention from his peers and teachers. Now lets see who will be awarded in week two.
