

VAIASO O LE GAGANA SAMOA

We recently celebrated Vaiaso o le Gagana Samoa, Samoan Language week. We started the week with a school assembly and flag raising. It was great to see students wearing their Samoan clothing and hear lots of Samoan language around the school all week. I hope everyone continues to do this even when it's not Samoan Language week. We finished the week with a fabulous assembly during which students performed a variety of siva and shared lots of learning completed during the week. It was fantastic to have so many parents come along to our assembly. Fa'afetai tele lava.

COMMUNITY CLINIC

The Office of the Manurewa MP will be holding a Community Clinic at the Wiri Business Centre (on Inverell Ave) on the 23rd June between the hours of 2.30 and 4pm. The aim is to reach out and be more accessible to the community. This is for anyone that wants to pop along to discuss or raise any issues, or just to say hello.

YEAR 5 and 6 GIRLS RUGBY TOURNAMENT

Kia ora whanau. Last Wednesday I had the pleasure of taking 15 year 5 and 6 girls to a rugby tournament at Bruce Pulman Park, Papakura. They represented Wiri Central School very well with a whole lot of respect, positivity, and kotahitanga. Our two captains Gloria Tuitamai and Helen Lesa lead the team by always encouraging them to do their best and making sure they were always in the game. The girls played with great spirit, gave it their all and used put ups to keep the positivity flowing. Thank you to all the parents who came out to support and helped with the team by putting our bags in a car or supervising if I needed to do other things for the team. The day was a chance to build whanaungatanga with other schools and to enjoy the experience of playing rugby. Our team lost 2, won 1 and drew 1 game during the day and won the sportsmanship award for the day. Last but not least thank you to all the girls in the team for a wonderful day and for being respectful, positive and good listeners.

Thank you again, Whaea Hera.

NEW ZEALAND SYMPHONY ORCHESTRA VISIT

Last Thursday, five professional musicians from the New Zealand Symphony Orchestra visited us for a half hour session of music and learning. The students who attended saw and heard a violin, flute, cello, alto saxophone and bassoon. They asked great questions and were quite knowledgeable about the instruments. One student acted as the conductor and one got to help out with playing a piece on the violin.
