WELL DONE WIRI CENTRAL!

One of the goals of our school strategic plan is to increase student attendance as this is an area that has been a concern in the past. It is important that children attend school regularly, at least 90% of the time. Regular attendance is important if children are to make progress in their learning and maintain relationships with their peers. All students need to be present at school so they can participate and engage in learning. Students with high levels of attendance are more likely to succeed in their learning. All Wiri Central School students deserve to succeed.

Our goal is for more students to achieve 90% or greater attendance. To achieve this students need to miss no more than 18 school days across the year (4-5 days per term). Last year (2023) 34% of our students achieved 90% or greater attendance for the year. In 2024 our target is for at least 45% of students to achieve 90% or greater attendance. It is therefore very pleasing to report that for Term 1, 53% of students achieved 90% or greater attendance. This is a fabulous start to the year and we congratulate the 187 students who achieved this goal. Thank you to the families/whānau who have supported your children to achieve this promising result. We are planning a treat for these students to acknowledge their efforts and will make this a regular celebration.

We still have 3 more terms of school this year - so let's keep up the great work and continue to attend school regularly. If you achieved 90% or greater attendance in Term 1, let's see you do it again. If you didn't achieve 90% or greater attendance in Term 1, then you can try to make it this term.

Keep it up!

PERFECT ATTENDANCE

As well as the improvement in the number of students achieving 90% or greater attendance, we had 57 students who attended school **every** day last term. This is an outstanding achievement. To acknowledge this achievement these students will receive a special ice cream treat in the staffroom this Friday. They will also receive a certificate at our school assembly on Friday. Assembly will be held at the usual time of 2.20pm, parents, you are welcome to join us for assembly.

LOST PROPERTY

Parents, are your children missing some clothing, especially jumpers or jackets?

Then they have probably left them at school.

We are having an ongoing problem with the large amount of unclaimed clothing items left at school. Please check that your child brings home their belongings each day.

Starting this week we will be displaying all unclaimed items each week before and after our regular Friday school assembly (2.20pm). If children have lost an item of clothing they can check out the Lost Property bin which is kept outside Room 5. Parents, you are welcome to come and check the bin any time.

SWIMMING

Swimming will continue in Term 2. The pool is covered and heated. Please support your child to bring their swimming gear on their allocated swimming day.
