

BOOK FORTNIGHT IS ON!

Our Book Fortnight is running from Monday 12 June to Friday 23 June. During this time we will have a number of guests coming in to read to classes. Reading is an essential life skill and one of the best things we can all do to encourage and support progress in reading is to foster a love of books. Our book fortnight is a celebration of books and reading.

Book Fair During the two weeks of Book Fortnight we will be having a book fair. There will be a large number of books on display in Te Puna for you to buy at a discounted rate. This display will be available for you to browse any time during the fortnight. There is a special grandparent morning tea on Thursday 15 June. A parent session is on Friday 16/6 starting at 11:30am.

There are a number of interesting competitions to promote reading. Talk to your child to find out what is happening. *"Reading is to the mind what exercise is to the body"*

YEAR 5/6 TAG TOURNAMENT

On Wednesday 24 May our Year 5 and 6 Tag team attended a tournament at Mountfort Park. This was the first time most of these students have played in a tag tournament. While we lost four games and drew one, there were some spectacular individual tries. We look forward to what this team can achieve in the future. It was a great day and the level of participation was excellent. Well done to these students and thanks to Mr Turner for coaching the team.

IMMUNISATION RECORDS

In the event there was an outbreak of measles or any other infectious childhood illness at school it would be very important for us to know which students may be at risk and to let parents know. To do this we require current immunisation information for your child/children. Many of you will have provided this on enrolment however we are aware that we do not have this information for all students. We are currently updating our records. A notice will be sent home later this week to families we do not have current information about. We thank you in advance for your support. While recommended, **it is not a requirement** for children to be immunised, we just need to know if they are (and sign the record) or if they are not immunised.
